# Autolus Therapeutics to Participate in the Jefferies Global Healthcare Conference

November 9, 2026 at 7:15 AM EST

LONDON and GAITHERSBURG, Md., Nov. 09, 2026 (GLOBE NEWSWIRE) -- Autolus Therapeutics plc (Nasdaq: AUTL), a commercial-stage biopharmaceutical company developing, manufacturing and delivering next-generation programmed T cell therapies, today announced that the Company will participate in the Jefferies Global Healthcare Conference taking place November 16-19, 2026 in London.

Autolus Chief Executive Officer Dr. Christian Itin will present on Tuesday, November 17, 2026, at 8:30am EST / 1:30pm GMT. A webcast of the presentation will be available on the “Events” page in the “Investor Relations & Media” section of the Company’s website at https://www.autolus.com/investor-relations-media/events/. A replay of the webcast will be archived on the Company’s website for 90 days following the presentation.

**About Autolus Therapeutics plc**
Autolus Therapeutics plc (Nasdaq: AUTL) is a commercial-stage biopharmaceutical company developing, manufacturing and delivering next-generation T cell therapies and candidates for the treatment of cancer and autoimmune disease. Using a broad suite of proprietary and modular T cell programming technologies, Autolus is engineering precisely targeted and controlled T cell therapies that are designed to better recognize target cells, break down their defense mechanisms and eliminate these cells. Autolus has a marketed therapy and a pipeline of product candidates in development for the treatment of hematological malignancies, solid tumors and autoimmune diseases.
