

Autolus Announces Pricing of Initial Public Offering

June 22, 2018

LONDON – 22 June, 2018 – Autolus Therapeutics plc ("Autolus"), a clinical-stage biopharmaceutical company developing next-generation programmed T cell therapies, today announced the pricing of its initial public offering in the United States of 8,823,530 American Depositary Shares ("ADSs") representing 8,823,530 ordinary shares at an initial public offering price of \$17.00 per ADS for total gross proceeds of approximately \$150.0 million. All ADSs sold in the offering were offered by Autolus. The ADSs are expected to begin trading on The Nasdaq Global Select Market on June 22, 2018 under the ticker symbol "AUTL." In addition, Autolus has granted the underwriters a 30-day option to purchase up to an additional 1,323,529 ADSs at the initial public offering price, less underwriting discounts and commissions. The offering is expected to close on June 26, 2018, subject to customary closing conditions.

Goldman Sachs & Co. LLC and Jefferies LLC are acting as joint book-running managers for the offering. Wells Fargo Securities, LLC and William Blair & Company, L.L.C. are acting as lead managers.

The offering will be made only by means of a prospectus. When available, copies of the final prospectus related to the offering can be obtained from either of the joint book-running managers for the offering, Goldman Sachs & Co. About Autolus

Autolus is a clinical-stage biopharmaceutical company developing next-generation, programmed T cell therapies for the treatment of cancer. Using a broad suite of proprietary and modular T cell programming technologies, the company is engineering precisely targeted, controlled and highly active T cell therapies that are designed to better recognise cancer cells, break down their defence mechanisms and eliminate these cells. Autolus has a pipeline of product candidates in development for the treatment of haematological malignancies and solid tumours.

Forward-Looking Statements

This press release contains certain forward-looking statements, including statements with regard to Autolus' expectations regarding the commencement of trading of ADSs on The Nasdaq Global Select Market and the completion of the proposed securities offering. Words such as "anticipates," "believes," "expects," "intends," "projects," "anticipates," and "future" or similar expressions are intended to identify forward-looking statements. These forward-looking statements are subject to the inherent uncertainties in predicting future results and conditions and no assurance can be given that the proposed securities offering discussed above will be consummated on the terms described or at all. Completion of the proposed offering and the terms thereof are subject to numerous factors, many of which are beyond the control of Autolus, including, without limitation, market conditions, failure of customary closing conditions and the risk factors and other matters set forth in Autolus' filings with the SEC. Autolus undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required by law.
